

ACKNOWLEDGMENT OF THE PHILIPPINE JOURNAL OF SCIENCE REVIEWERS

The editorial board, management, and staff of The Philippine Journal of Science (PJS) wish to recognize the valuable contribution made by the following scientists who provided expertise, insight, and thoroughness of reviews for the year 2013.

Philippines

Ateneo de Manila University
Fabian M. Dayrit

University of San Carlos
Bernardino Buenaobra

University of the Philippines Diliman
Leslie Michelle M. Dalmacio
Lee Anthony M. Neri
Ma. Patricia V. Azanza
Johnrob Bantang
Sandra G. Catane
Jonas P. Quilang

University of the Philippines Los Baños
Christian Joseph R. Cumagun
Noel G. Sabino
Evelyn B. Rodriguez
Inocencio E. Buot, Jr.
Severina B. Exconde
Teodora O. Dizon
Leonardo Florece

International Rice Research Institute
Joel D. Janiya

University of Santo Tomas
Thomas Edison dela Cruz
Rey Donne S. Papa

University of Perpetual Help System DALTA
Maria Leisa Magboo

University of the Philippines Cebu
Miss Geofe O. Cadiz

West Visayas State University
Rey G. Tantiado

Central Luzon State University
Josue S. Falla

University of Asia and the Pacific
Veronica Esposo Ramirez

Argentina

Universidad de Buenos Aires
Marta S. Maier

Australia

Queensland University of Technology
Mark Schutze

University of Western Australia
Michael Burton

Addis Ababa Ethiopia

Nutrition Specialist for the African Union - UNICEF
Akoto Osei

Canada

University of Toronto
Philip M. Sherman

China

Zhongkai University of Agriculture and Engineering
Xueqin Tao

International Journal of Agricultural & Biological Engineering
Wang Yingkuan

Jiangsu University
Keping Chen

Zhejiang University
Yonggen Lou

Institute for Plant Protection and Microbiology
Zhongxian Luty

The Chinese Academy of Science
Zhiyong Zhang

Guangzhou Medical University
Weide Zhong

France

Université de Technologie de Belfort-Montbéliard
Shujuan Dong

Germany

Hochschule Rosemheim
University of Applied Sciences
Felix Böck

Research Institute for the Biology of Farm Animals
Klaus-Peter Brüssow

Greece

Institute for Marine Biological Resources and Inland Waters
Dimitris Klaoudatos

Hong Kong

Hong Kong Baptist University
Jian-Wen Qiu

The Hong Kong Polytechnic University
Professor K.W. Chau

India

Nehru Memorial College
M. Meenakshisundaram

Central Mechanical Engineering Research Institute
Umesh Patkar

University of Mysore
H. B. Mahesha
K. Ajay Kumar

Shivaji University, Kolhapur
Y. B. Gaikwad

Indian Institute of Chemical Biology
Sukhendu B. Mandal

Visva-Bharati University
Prof. Rup Kumar Kar

Italy

Università della Calabria
Alessandra Pecci

Japan

Kagoshima University
Jiro Koyama

Natl. Res. Inst. Fish. Environ. Inland Sea, FRA
Kazuhiko Mochida

NARO Institute of Livestock and Grassland Science
Tamas Somfai

Mie University
Yutaka Tamaru

Rakuno Gakuen University
Hiroki Teraoka

Kinki University
Shin'ichiro Kajiyama

Nihon University
Marni E. Cueno

Malaysia

Universiti Putra Malaysia
Kamal Uddin

Mexico

*Centro de Investigación en Alimentación y
Desarrollo*
Luis Quihui

*Centro de Biociencias
Universidad Autónoma de Chiapas*
Miguel Salvador-Figueroa

The Netherlands

*Department of Marine Zoology
Naturalis Biodiversity Center*
Bert W. Hoeksema

New Caledonia, France

Secretariat of the Pacific Community
Lindsay Chapman

New Zealand

Massey University Private Bag 11-222
Aishath Naila

The University of Auckland
John C. Butcher

Poland

University of Life Sciences in Lublin
Joanna Stadnik

Portugal

University of Coimbra
Ana Carvalho

*National Research Institute of Animal
Production*
Barbara Gajda

Romania

*University Food Science and Engineering
Faculty- Galati*
Camelia Neagu

Switzerland

*Geologisch Palaontologisches Institut der
Universitat*
Andrea S. Wetzell

Tahiti, French Polynesia

Labex Corail, Ifremer Pacific Center
Marc Taquet

Taiwan

National Sun Yat-Sen University
Pei Sun Loh

Thailand

Suranaree University of Technology
Apichat Boontawan

Mahindol University
Tippawan Pongcharoen

United States

Iowa State University
Joseph G. Sebranek
Charles F. Curtiss
Morrison Endowed
Jonathan A. Campbell

University of Nebraska
Gary A. Sullivan

*School of Professional Studies
National University*
Chandrika M. Kelso, J.D.

College of Letters and Sciences
Thomas M. Green

Pennsylvania State University
Jay R. Stauffer, Jr.

University of Illinois at Urbana-Champaign
Elisa Monaco

University of Guam
Lee S. Yudin

Gulf of Mexico Fishery Management Council
Stephen A. Bortone

Research Center on Aging, Tufts University
Jean-Marc Zingg

Oregon State University
Maret G. Traber

University of Pittsburgh
Kent A. Harries

*McMaster University &
University of Pennsylvania*
Michael W. Gregg

University of California
Jelmer Eerkens

Arkansas State University
Richard Segall

Albert Einstein College of Medicine
Rani Sellers

University of British Columbia
Bernardita P. Germano

Université de Montréal
Patrick C. Hellenbeck

Uruguay

Oceanografía & Ecología Marina
